2011 — 80 branches · 5 hubs

2018-21 — ~200 new locations

2022-24 — Digital programme

TODAY — Smart platform · AI

WHY COUNTRYWIDE

Pan-India reach
Branches, hubs & partners nationwide

Tech-led operations
Smart Docket · tracking · app

Certified & compliant
ISO 9001:2015 · registered carrier

Customer-first
Dedicated support · custom solutions

OUR VISION

- To be among India's **top 10** express cargo & logistics companies
- Target year: **FY 2030**

OUR MISSION

- Deliver **high-quality service** at fair, competitive prices
- Build **trustworthy, long-lasting** relationships
- Uphold the highest **ethical standards**

OUR GOALS

- Always **meet ISO standards**
- Set the **benchmark** in express cargo
- Innovate with **embedded technology**

OUR SERVICES

AIR. RAIL. SURFACE. ALL COVERED.

Road Express

Containerised feeder and line-haul fleet delivering door-to-door express cargo across India.

Door-to-door · Pan-India

Air Express

Same-day / next-day solutions for urgent cargo, with 24-hour direct line-haul from major hubs.

Same-day / next-day

Rail Express

Bulk and delicate cargo on India's national rail network through a multimodal operating system.

Multimodal · Economical

FTL & PTL

Dedicated full truck loads, or part-load consolidation — pay only for the space you use.

Dedicated · Consolidated

Dedicated Vehicle

A vehicle committed to your freight — fixed schedules, GPS-enabled, tailored to your SLA.

GPS-enabled

Reverse Logistics

Returns, repairs, recycling and disposal — the whole product life-cycle, not just A to B.

Returns · Repairs

3PL & Warehousing

Storage, sorting, packing and distribution for retailers and end customers, incl. OEM delivery.

Pick · Pack · Ship

Parcel Delivery

Fast, secure parcel service with real-time tracking and personalised customer support.

Live tracking

Freight Insurance

Insurance cover for goods in transit against loss or damage.

Loss & damage cover

INDUSTRIES WE MOVE

Textile & Garments · Apparel & Lifestyle · Chemicals · Pharma & Healthcare · Machinery & Engineering · Automotive · FMCG · Manufacturing · E-commerce · Printing, Packaging & Publishing · ...and many more

EVERY MODE. ONE PARTNER.

Surface, rail and air — used alone or combined — planned around your transit-time and cost needs. Premium / time-critical movement by air or rail is arranged lane-wise on request.

SMART & VALUE-ADDED

SMART TECH. ADDED VALUE.

SMART COUNTRYWIDE
